All about Christmas

(49 1/2" x 68 1/2")

By Quilting Time

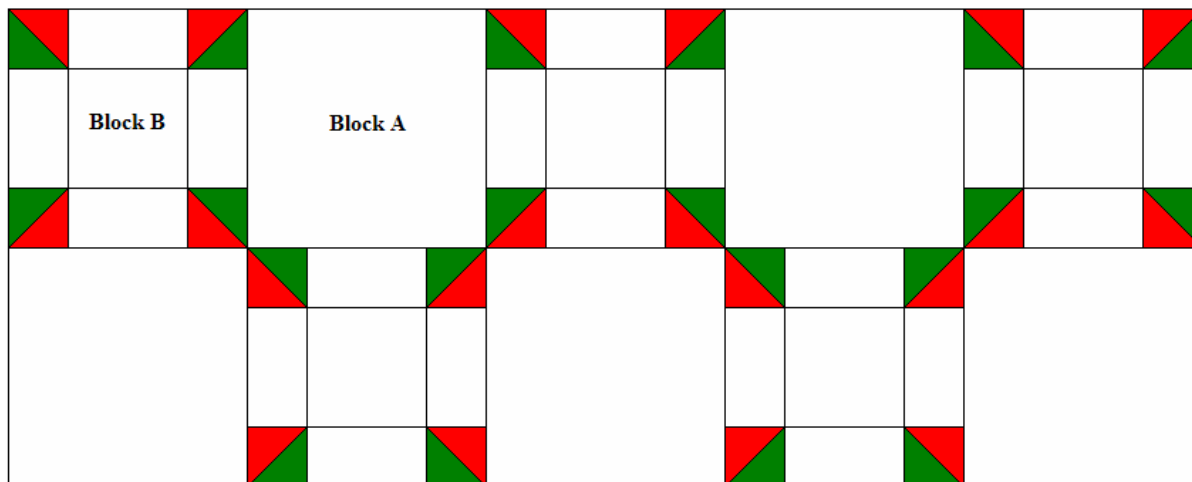

Designs by Vicki Stratton

Materials

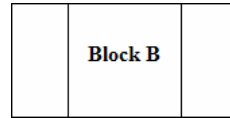

Focal fabric for Block A (Style # E862) colors hunter, scarlet & cream – 5/8 yards EACH color
Center square of Block B (Style # E 869) colors hunter, scarlet, black and antique beige – 1/4 yard EACH
Center square of Block B (Style # E870) colors hunter, scarlet, black – 1/4 yard EACH
Center square of Block B (Style # E872) color black – 1/4 yard
Center square of Block B (Style # E867) color hunter – 1/4 yard
Light rectangles of Block B (Style # E866, E868, E871, E874) color cream – 3/8 yard
Triangles of Block B (Style # E871) color scarlet – 1/2 yard
Triangles of Block B (Style # E871) color hunter – 1/2 yard
Binding (Style # E867) - 3/8 yard
Backing - 4 yards

This quilt consists of 35 blocks - 17 – 9 1/2" (A) blocks and 18 – 9 1/2" (B) blocks.

1. For block A, cut 17 – 9 1/2" squares of (Style # E862) partridge fabric - 6 hunter, 6 scarlet, 5 cream
2. For block B, cut 18 - 5" squares of (Styles # E869, 870, 872, 867) – use all colors
3. Cut 11 – 2 3/4" strips (Styles # E866, E868, E871, E874) - cream. Cut into 82 – 5" x 2 3/4" rectangles Reserve 10 for border.
4. Cut 4 – 3 1/4" strips EACH (Style # E871) scarlet & hunter. Pair scarlet and hunter right sides together and cut 48 pairs of 3 1/4" squares. Cut these in half to yield 96 pairs of triangles. 24 will be reserved for the borders.
5. Sew pairs of triangles together on long edge with a 1/4" seam allowance. Open and press. TRIM TO 2 3/4". TIP: align the 45 degree line of a squaring ruler along the seam line to get the most accurate cut.

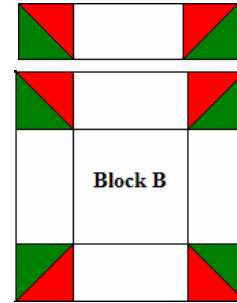

6. Before assembling B blocks, take note of the placement of the scarlet/hunter half square triangles in the first row compared with the second row. In the second row, the blocks have been rotated 90 degrees. If you don't want to rotate the block because of directional fabric, arrange the half square triangles in the appropriate position and then sew blocks. All odd rows will look like row 1, even will look like row 2.

7. Sew a 2 3/4" cream rectangle to each side of 5" square.

8. Sew scarlet/hunter half square triangles to ends of cream rectangles.

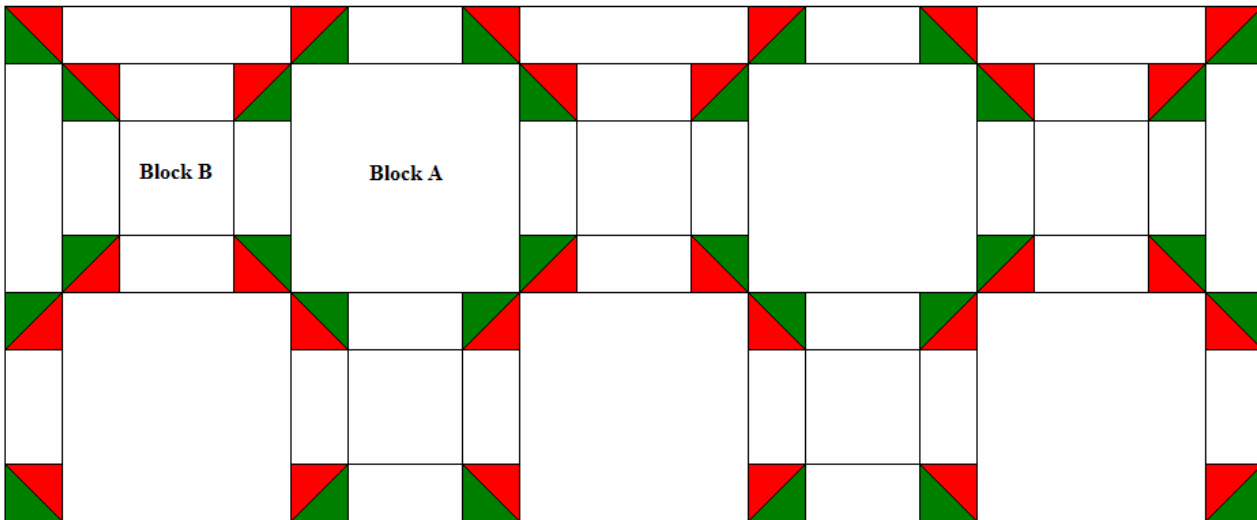

9. Pin half square triangle units to center unit at seams lines. Sew and press.

Complete block as shown in diagram. Make 17.

10. Lay your completed blocks out- 5 across and 7 down.

11. For borders, cut 14 – 2 3/4" x 9 1/2" rectangles from (Style # E862) focal fabric for borders. Because the partridge fabric is directional, cut 6 horizontal strips for top and bottom borders and 8 vertical strips for side borders. Combine these pieces with remaining cream rectangles and half square triangles to sew borders as shown in diagram below. Partridge rectangles are placed next to B blocks and 5" cream rectangles and half squares triangles are placed next to A blocks. Complete borders, pin, sew and press.
